## GOP SWEEPS COUNTY OFFICES

### Local Precincts Go Solidly Republican

#### Judicial Amendment Favored Here, But Courthouse Issue Is Rejected

The backbone of the Republican election victory in Lake County is located in the townships of Antioch, Lake Villa, and Grant.

With returns of balloting for the seven county offices in from all but one of the 17 precincts in these three townships, only Lake Villa 2 reports a Democratic majority in any of the races.

The democratic candidates for probate judge and county judge held slight majorities in this precinct. The balloting for probate clerk was tied. Other offices went to the GOP.

In every other precinct, the Republicans won a complete victory, rolling up majorities which ran well ahead of their county-wide margin.

The three townships also voted in a solid block against the courthouse bond issue. With eight of 17 precincts reporting on this referendum, all favored the rejection of the finance plan for a new courthouse building.

The eight precincts total vote was 2,354 against and only 881 for the courthouse building.

Coming as a surprise to many local political experts, each of the first eight precincts have voted for the judicial reform amendment to the Illinois State Constitution. The total vote for the 8 precincts is 1,782 for and 1,165 against. The amendment requires two-thirds approval of judicial reform ballots cast of a majority of all the voters in the election. The current figures fall barely short of the required two-thirds majority method.

#### Favor Preserve District

Nine of the 17 precincts have reported returns on the forest preserve district referendum. Seven of the precincts favored the preserve institution. Antioch 4 and Antioch 6 were opposed.

Three of eight precincts in the three townships voted for the amendment providing for re-election of sheriffs and treasurers. The total vote on the amendment in the eight precincts was 1,309 for and 1,567 against.

Nine precincts reporting all favored the adoption of the Banking Act. Nine precincts who have returned ballots on the state building bond issue have all rejected it.

Similarly, nine precincts have come in on the Korean Bonus Bill and all voted it down.

The three townships were even more solidly for the two major

GOP state candidates and Marguerite Stitt Church, running for re-election to the 13th Congressional District.

In each of 16 precincts reporting the majority went to the Republican candidates for these three offices.

The total majority for the non-local GOP candidates appears certain to go above the majorities given to county candidates in these townships.

Total vote at Antioch Precinct 1 was 501; Antioch Precinct 4 was 514; Antioch Precinct 5 was 408. The (Continued on page eight)

### 200 Attend V.F.W. Dance

Contributions by three groups made an autumn's end dance highly successful for more than 200 Lake Villa youth last Saturday night.

More than 200 teenagers from the area met at the Veterans of Foreign Wars hall to dance to music donated by the Ray Paulson Band and eat and drink refreshments provided by the Lake Villa Police dept.

According to Elmer Kasting, commander of VFW Post 4308, the hall was made available to the youth which they then decorated "beautifully with red, gold, yellow and brown leaves."

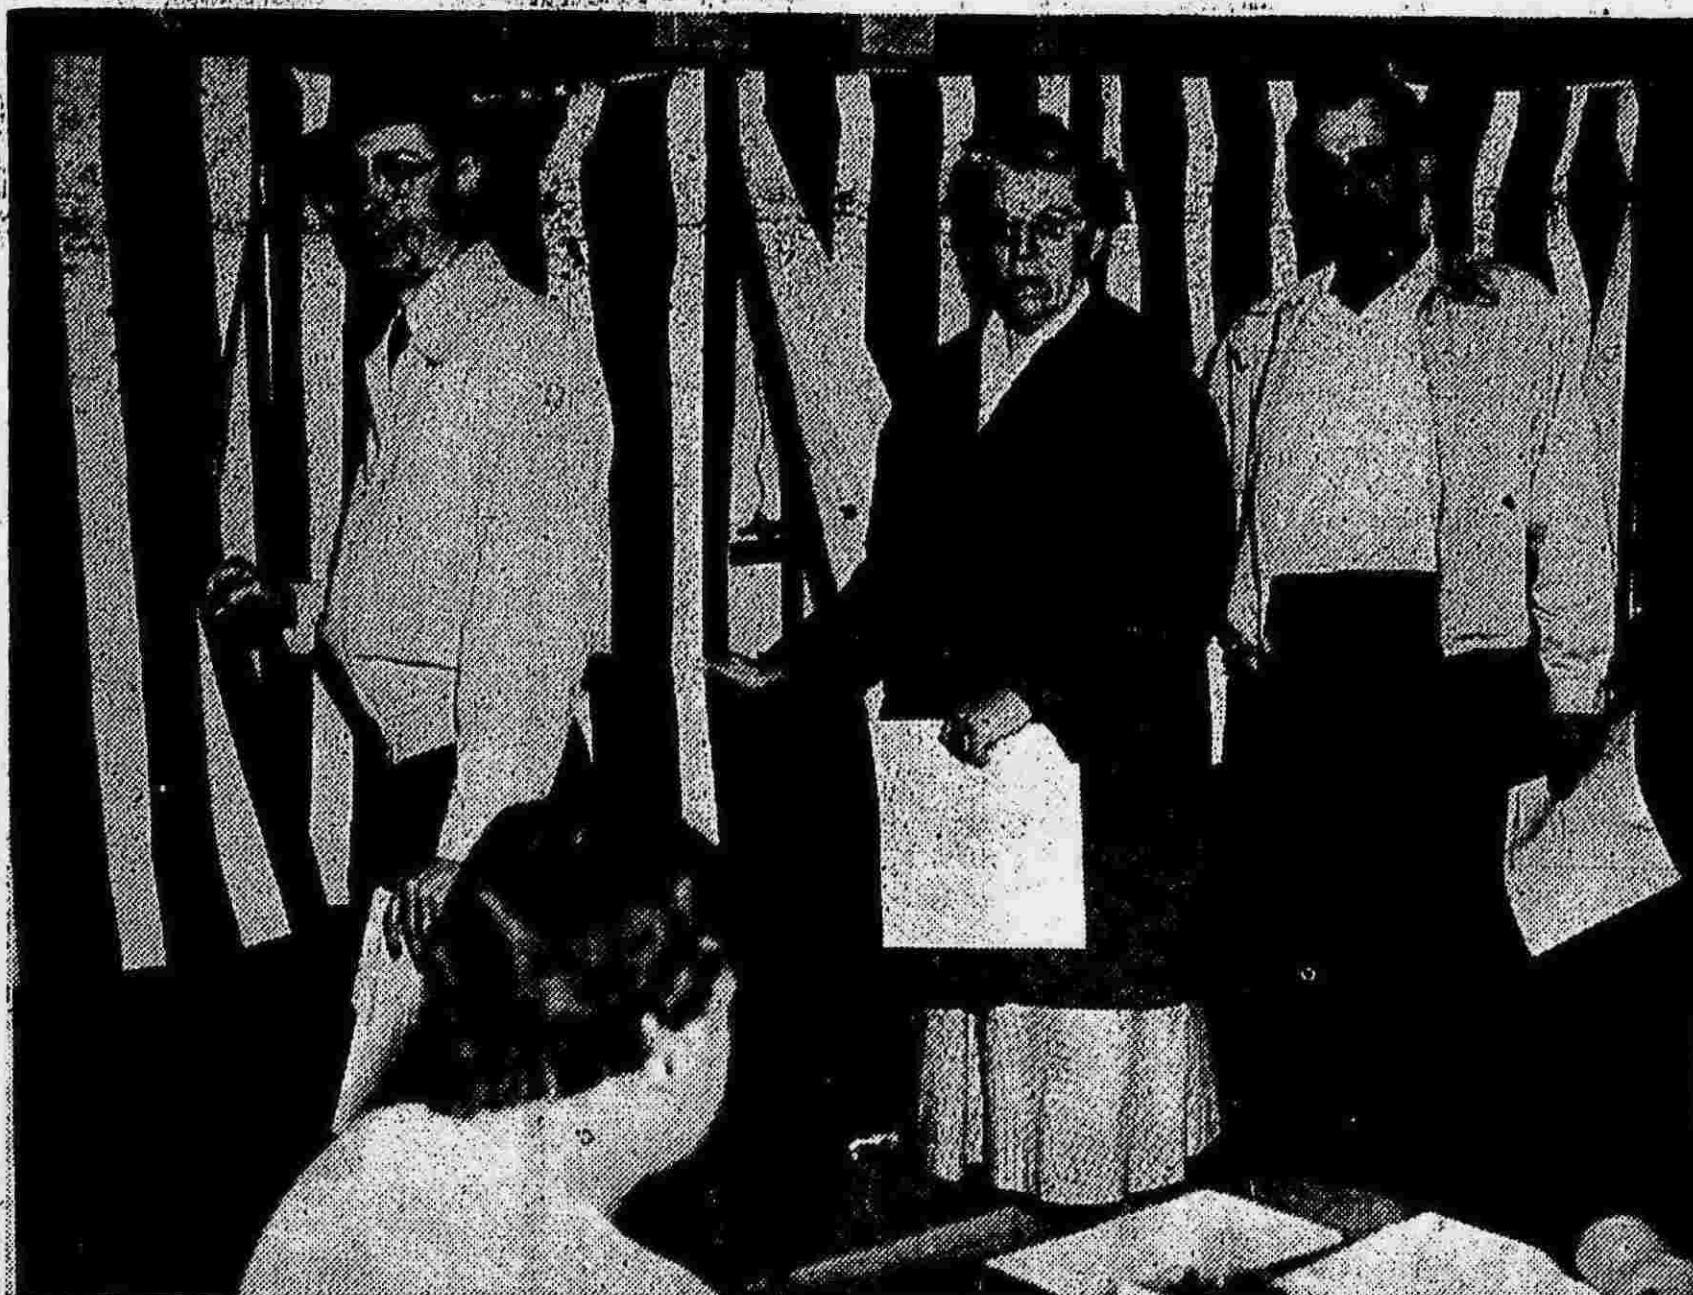

The band was obtained through the efforts of Arvo Karyla and the Federation of Musicians, local 248. Upon hearing of the progress of the dance, the police donated 10 cases of soft drinks for free refreshments for the young people.

The dance was so well received and attended that Kasting said the VFW hall will be available for future youth gatherings if they show as much enthusiasm.

Kasting also paid credit to Mrs. Dee Huckstra of the Baptist Children's Home for her supervision and instruction for the decorating of the hall.

PRECINCT JUDGES ASSEMBLED for a long, but rewarding day at the polls. The judges, three of the majority party and two of the minority, must keep a watchful eye for voting irregularities, decide upon questionable ballots, and turn in their tally sheets to the county clerk's office in the wee hours of the morning. Judges seated at the table are (clockwise beginning in foreground): Vera Horton, Helen Nelson, Leona Petersen, Carolyn Horan, and James Horan. Voters standing at the judges' table are Bernice Pope and George Palaski.

### Holiday Resort Planner, Lake Villa Board Hassle

The Lake Villa Village Board and Mrs. Beth Scofield met head-on at the Monday night meeting when she requested sewage and water facilities for her Villa Holiday Garden project.

Board members reminded her angrily that she had failed to pay building, plumbing, and electrical permits for the construction now under way.

A spokesman for the village said

### Giant Carrot Uncovered On N. Main Street

A congealed carrot was dug out of the ground at Art Hawkins' home on North Main street this week.

The growth, which has the appearance of a giant orange beet weighs in at a hearty two and one-half pounds.

The green thumb men speculate that it is actually two or three carrots which have been meshed together during the process of growth.

The green topping on the vegetable looks like a miniature bush. The entire plant is a mighty healthy specimen.

Somebody carve the carrot, please.

after the meeting the work would be stopped if she does not buy the proper permits.

Mrs. Scofield said Tuesday night that the matter of permits "is being taken care of." She admitted that her "funds had been held up," but said that she "could pay for the permits now."

She revealed, however, that the cost of the Gardens project has been greatly overestimated by other newspapers. A figure of \$2,000,000 had been reported.

She told a News reporter that the Dodge Reports listed the estimated costs at \$250,000. She said that a figure under \$500,000 would definitely be accurate.

The cost of the permits are proportioned to the cost of the building project.

Mrs. Scofield indicated that she had made a Wednesday appointment with village clerk Neil Reidel to "iron out the difficulties."

She asked for the public's understanding that "these matters have to be done in proper procedure."

In her request for water facilities, Mrs. Scofield estimated that the airconditioning facilities and other services at the resort might use up 300 gallons per minute.

But village officials later voiced doubt that it would require that much water. At the meeting it was suggested that she might have to

### Sr. Citizen Club Forms Next Week At Scout House

Antioch's Senior Citizens, those who have reached 60 years of age or more, are invited to form the first Senior Center for Senior Citizens club here. First meeting will be Wednesday at 11 a. m. at the Scout House.

Mrs. Marion Pechousek, heading the Antioch Woman's Club committee to finance and begin the club, this week released a list of activities the senior citizens will participate in. It includes cards, music, ceramics, table games, health talks, woodshop, painting, reading and travel talks. There also will be discussion groups and counseling for those who desire, Mrs. Pechousek said.

Transportation will be furnished for those who find it difficult to (continued on page 8)

### Plan Installation Of Light Standards

Main Street and Lake Street in Antioch will be much brighter in about 60 days when the Public Service Co. completes installation of about 25 new light standards and better lights. Antioch's Village Board Tuesday night gave approval to the new project.

The program will cost the village only a small increase in monthly electric bills. The Public Service Co. will install and maintain the lights.

Exact increases in lighting and monthly bills still are not final but are dependent upon a further study by the company and street superintendent John Blackman.

Blackman recommended increasing lights to 6,000 watts on Main St. from North Ave. to the business district and from the business district to Rt. 173. Lake St. lighting will

be increased to 4,000 watts from the business district to St. Joseph's Ave.

The new poles will include a 14-foot overhanging arm from each standard. Several new standards will be added in present dark spots—especially near the Scout House—and many old poles will be utilized, Blackman said.

Antioch village officials are getting "burned up" about residents burning or piling leaves in the street and they threatened to get tough with residents who continue that fall habit.

Mayor Murrill Cunningham noted at the village meeting Tuesday night that village crews gathered 62 piles of leaves this week. He cited the hazards of smoke, blowing across the (Continued on page eight)

### Vote Down Courthouse Bond Issue

#### Turnout In County Unexpectedly Heavy

Lake County maintained its traditional Republican majority in the face of a Democratic election landslide in the nation.

However, the county GOP's pet project, the \$2,500,000 bond issue for a new courthouse building, was overwhelmingly defeated by an economy minded public.

The courthouse referendum was losing 19,455 to 20,957 with 153 of 166 Lake County precincts reported.

The controversial blue ballot amendment for judicial reform won decisive approval from Lake County voters, and the whole state.

A relatively inconspicuous referendum proposal to make Lake County a forest preserve district scored a surprising victory.

A warm late fall election day was the only reason which could be given for the fairly heavy "off-year" election turnout here. Predictions were for a fair to light number at the polls due to presumed apathy surrounding the candidates and issues. The final poll total should rise well above 60,000.

#### Early Returns Scare Moran

The most hotly contested county race was that for probate judge. Thomas J. Moran, present state's attorney, was seriously challenged by Democrat Richard C. Kahn in the early returns. Moran won the post by a 34,018 to 27,358 majority with 13 precincts still unreported.

GOP candidates for six other county offices piled up big majorities, and Marguerite Stitt Church was returned to the U. S. Congress as representative of the 13th District.

Her majority over Democrat Laurence A. Kusek was 40,743 to 20,952 with 13 precincts unreported.

#### Leaf Returns To Office

Garfield Leaf was re-elected county clerk. He polled 38,122 votes against Leon Sirotas Democratic total of 23,056, with 13 precincts unreported.

The new Sheriff of Lake County will be the present chief deputy, Norris C. Froelich. Froelich led Russell J. Schoenke 36,194 to 25,452 with 13 precincts still out.

Other county officials returned to their positions and their opponents polls:

County judge Minard E. Hulse, 37,347; William E. Hartnett, 23,970 (153 precincts).

Probate clerk Allen J. Nelson, 35,216; Jane Carter, 25,596. (153 precincts).

County treasurer, Hugo L. Schneider Jr., 35,154; Daniel M. Pierce, 25,904. (153 precincts).

W. C. Petty, county superintendent of schools ran against only write-in opposition.

The three state representatives in the 31st District, all to be elected, are Robert Coulson, W. J. Murphy, and Jack Bairstow.

#### County Goes Against State

Joseph D. Lohman, present Sheriff of Cook County, has been elected state treasurer, but he had no help from Lake County. Warren Wright, the present treasurer and Republican candidate, scored 38,517 against Lohman's 23,501 votes here. This is slightly better than the local GOP candidate's totals.

Gerald W. Smith, the Republican nominee for superintendent of public instruction, led George T. Wilkins here 37,254 to 23,350 in 153 precincts, but lost elsewhere in Illinois.

A complete Democratic victory in Chicago and Cook County paved the way for the state Demos wins.

Final returns have not been received in the state or in Lake County balloting for trustees of the University of Illinois.

The Illinois court reform amendment achieved its needed two thirds majority for passage in the state. This includes a 32,537 to 12,972 margin in the county in 153 precincts.

The Illinois Banking Act passed easily in the state, and won a one (Continued on page eight)

### A Job Well Done

The dedication in successive weeks of two new grade schools in this area deserves special commendation to the men who brought about the constructions.

The District 34 Board of Education is in charge of the new Oakland School as well as the Antioch Grade School.

The District 41 Board of Education in Lake Villa now heads the new B. J. Hooper School in Lindenhurst along with the central grade school there.

The large turnout at both official openings has demonstrated the public's satisfaction with their work.

The two elementary school buildings are graceful and useful structures which admirably reflect the growing community in this area.

They already have a combined student enrollment of nearly 500 pupils with plans for additional facilities in the future.

The need to relieve the student load at the older schools was crucial.

It should be remembered that the same population growth which has created the need for new grade schools will soon have the same effect on the high school level.

Education is an expensive thing, but an event noted in the editorial in the adjoining column is a reminder that education must not fail here.

### When You Can't Read A Good Book

An act of political interference so base occurred last week that we feel compelled to abandon for the moment our policy of comment only upon local affairs.

A Russian author named Boris Pasternak was chosen as the winner of the Nobel Prize for Literature.

He first sent a cable to the secretary of the Royal Swedish Academy in which he commented, "Immensely thankful, touched, proud, astonished, abashed."

A few days later Pasternak sent a second message to the Academy in which he "voluntar-

*"A newspaper that never spoke its own mind would not be, to our notion, much satisfaction to publish or read."*

-A Weekly Newspaper Editor

ily," refused the Nobel Prize "because of the meaning attributed to this award in the society I live in."

The Russian was named as a Nobel Prize Winner, perhaps the highest international honor which can be given, for his book, "Doctor Zhivago."

With the prize goes an award of over \$41,000.

But Pravda, the official Soviet news organ, had commented after the announcement of the Nobel Prize to Pasternak that he should refuse it if he had "a spark of Soviet Dignity left in him."

It seems that "Doctor Zhivago," which has never been published in Russian, contains some criticism of the Communist system.

The book has been widely read and praised in several other languages.

Evidently, someone kindled the spark of "soviet dignity" in Pasternak, and he was forced to refuse the award which he coveted. Meanwhile, three Russian scientists will be allowed to accept Nobel Prize awards in their field.

The injustice to the man has rankled the entire world.

The threat it suggests to the freedom of artistic expression is even more tragic. It seems, to us, to mark the final degradation of the once magnificent Russian contributions to all the Humanities.

The Russian scientists richly deserve their awards. Their success has not been given its full credit by the free world except perhaps for the fear it has generated.

But the elimination of a man's talent because it works in an unavoidably more provocative medium is a black mark which, we predict, will eventually do them more harm than any nuclear weapon.

From ancient times mankind has cherished the independence of art in order to protect the gift of artistic experience. But perhaps the more important meaning of this independence to the world today is its provision of one field of human activity which is to be kept free of the short lived, petty tyrannies of political organizations.

We think that this is an important lesson for Americans too.

## Village To Greet Yankee Pitcher As Part of Promotion For Baseball Movie

It'll be baseball season in Antioch for one full week beginning Sunday when a member of the World Champion New York Yankees comes to open the run of the movie "Dam Yankees," at the Lakes Theatre.

Participating in the festivities will be members of the Antioch Little and Pony Leagues, the sales manager of Warner Bros. pictures in Chicago, and a representative of Mayor Murrill Cunningham.

The Yankee player is Zack Monroe, a highly regarded rookie pitcher who will be counted on heavily by Casey Stengel next year. Monroe, a native of Peoria, is a 6-foot right handed thrower who made his debut with the Yankees on June 15 and went on to win several important games for the New Yorkers.

Although all young baseball players in Antioch will have "their day" at the theatre and see the movie, the feature team will be the Yankees, says Lakes Manager Dick Meyers. Members of this team will act as escort to a three-car motorcade which will stream through Antioch Sunday at 2:30 p.m. They also will share the stage with him at the first of his two personal appearances at the theatre.

Also helping to start the movie on its run will be the Antioch High School Band which will play between the shows at 3 p.m. and 8:10 p.m. Directing the band will be Joseph Rush, music instructor at the high school.

Michael Klein, a veteran showman now heading Warner Bros. studios in Chicago, will attend and be introduced to the movie patrons, Meyers said.

After the Yankee pitcher speaks to the Lakes Theatre audience, he and the Warner Bros. executive will attend a luncheon at Harold's Restaurant where they will meet personally and speak with coaches and managers from the Antioch Little and Pony Leagues.

All players of the two baseball teams will receive free passes to the showing of the movie, good at a night designated for that team. The young players must attend the showing in baseball uniform, Myers said.

Sunday of course is Yankees' Day, Monday is Cubs' night, Tuesday is Sox' night, Wednesday is Pony League night, Thursday is Tigers' night, Friday is Dodgers' night and Saturday is Giants' night at the Theatre.

Purpose of the affair is to introduce and promote the movie "Dam Yankees" to the Antioch area says Meyers. The picture is a Hollywood adaptation of the Broadway hit which ran for three years. It is a musical starring Tab Hunter, Gwen Verdon and Ray Walston.

Meyers says he expects very high attendance for this top movie and urges patrons to call the theatre to be assured of seating.

## Marlyn Hagen To Leave Zion News

Former Antioch resident Marlyn W. Hagen has left his post as business manager of the Zion-Benton News to work with a national promotion sales agency.

Hagen is the founder of the Advertiser publication here which he operated for three years. Leaving here in 1953, he sold his business and established a similar publication in Zion.

On Jan. 1 of this year Hagen brought about a merger of the Zion Advertiser and the Zion Benton

News and was named business manager and editor. He will keep his financial interest in the Zion Publishing Co.

### LONG, LONG TRAIL AWINDING

America's first stretch of asphalt paving was laid in Newark, New Jersey, in 1870—less than ninety years ago. By 1955, asphalt-paved highways had stretched to a 411,000-mile network crisscrossing the nation, and accommodating almost 63 million motor vehicles. About 69 per cent of the 15,680,000 tons of asphalt sold this same year by petroleum refineries went to meet motorists' demands for smoother, safer, more economical roads and highways.

## Edwards-Karczewski Nuptials Recently

Miss Dorothy Edwards, daughter of Mr. and Mrs. Gile Edwards of Channel Lake, and Arthur Karczewski, son of Mr. and Mrs. Sigmond Karczewski of Union Grove, Wis., were united in marriage at St. Peter's Church October 4 in a lovely mid-morning ceremony.

The bride was given by her father in the double ring service conducted by Father Henderson. She was attired in a lovely all nylon, scalloped lace, floor length gown, trimmed with sequins and pearls, over satin, with a Victorian collar and neckline. Her fingertip veil was fashioned in French illusion style and she carried white carnations with stephanotis.

Attending Miss Edwards as maid of honor was Mrs. Martin Wojcik, wearing a topaz brocaded gown in English Intermission style with a bouquet of turquoise Hawaiian bells and mums. Bridesmaids Mrs. Donald Reesman, Mrs. Eugene Karczewski and Miss Margaret Olivett wore matching costumes of turquoise brocade with topaz bouquets. Little Elaine Mason was flower girl and Eugene Karczewski, Jr., nephew of the groom, acted as ring bearer. Elmer Karczewski of California attended his brother as best man and ushers were Bernie Goetz, Frank Henningfeld, Walter Karczewski and Vincent Minharra.

Ernestine Karczewski, sister of the groom, sang the Solemnized Mass.

An evening reception was held at the Fox River Gardens.

The bridegroom is affiliated with the Great Lakes Fire Dept., and his bride is first grade teacher at Channel Lake Grade School.

After a trip through Kentucky and on to St. Petersburg, Fla., the couple are now making their home at Channel Lake.

## Character Sketches By Lillian Smith Entertain Antioch Woman's Club

### Local Girl Appears On TV Musical Featuring LF College

Joan M. Cervenka, daughter of Mr. and Mrs. George Cervenka of Route 1, Antioch, was one of thirty Lake Forest College students who appeared recently on "Spin Time," a college party program televised over WGN-TV. She is the newly elected secretary of Pi Alpha Chi, music honorary at the college.

Mrs. Arlene N. Byrne, assistant professor of speech at Lake Forest College, directed the students in their portion of the show which included an informal style show and specialty acts.

Miss Cervenka, a senior, was a member of the Mello-Deer trio, a popular campus singing group, that appeared on the program.

Lillian Brodahl Smith of Chicago entertained about 60 members and guests of the Antioch Woman's Club on Monday afternoon with her humorous character sketches in the Norwegian dialect. Her numbers ranged from a Hawaiian holiday to interpretations of the latest fashions.

At the business meeting, it was announced that Mrs. O. W. Turner, literature chairman, would hold the first meeting of the season for members interested in a Literary Section at 1:30 p.m. Nov. 11 in her home.

As it was American Art Week, Mrs. Ray Hamilton, art chairman, presented a showing of the paintings of Mrs. Claire Gilday of Antioch and announced the Art Day planned by the federation in Chicago this Friday. Interested members are planning to leave the Scout House at 9:30 a.m.

Mrs. Thomas Pechousek reported on progress in the club's civic project, the Senior Center which will hold its first meeting on Nov. 12.

Mrs. Clarence Olson, president, asked for volunteers to help with canvassing for the Retarded Children's Drive.

Refreshments were served by Mrs. Myrus Nelson and her committee on which Mesdames Robert Gaston, Ernest Simons, Clarence Spiering, Walter Laurell, Clarence Klenz, Anne Kopriva, and Joseph Patrovsky assisted.

"It appears imminently likely that the next war is to be fought over disarmament."—Highland News Leader.

"TWELVE ANGRY WOMEN" cast show their anger in trying to make a jury decision. The play will be presented at 8 p.m. this Friday and Saturday at Antioch Township High School by members of the Junior Class. Shown from left to right in the foreground are Sharon Dittman, Marie Jasien, Dorothy Brockway and Darlene Harms. Barbara Paulsen is shown in the background.

## Area Bands To Meet At Lake Villa Festival

"There'll be '76 trombones in the big parade..." or their equivalent in enthusiasm as the Lake Villa Band Assn. hosts a jammed band session of high school music organizations Saturday.

This annual fall festival will include the professional talents of the Great Lakes Naval Base Bluejacket Choir. They will sing at 7:30 p.m. Director of the Bluejackets is Elmer D. Sandager.

During the day, bands from many schools in Lake County will play. This includes the Antioch Grade School band under the direction of George Ollsar.

The Lake Villa High School and Grade School bands will perform under the guidance of Thala Rush.

A white elephant sale, needlework, and many food items will be offered to the public in an effort to raise funds to cover the bands' expenses during the year.

## Old Timers To Hold 2nd Dance

The Old Time Dance Club of Antioch will hold their second dance of the season this Saturday in the Antioch Legion Home.

The serving committee will be: Mr. and Mrs. W. H. Brown, Mr. and Mrs. M. C. Cain, and Mrs. and Mrs. Robert Runyard of Richmond, Ill. Bessie Barnes will furnish the music with James Adams doing the calling.

## Toy Demonstration

The Evening Circle of the Methodist Church will hold a toy demonstration party at its meeting at 8 p. m. Nov. 13 in Wesley Hall. Other circles and friends are invited. Books and toys will be sold for an age range from baby to age 14.

## Engagement Announced

Patricia Jean Rodney, daughter of Mr. and Mrs. Howard Rodney of Trevor, Wis., has announced the engagement of their daughter, Patricia Jean, to John R. Woolner, who is entering the U. S. Air Force on Nov. 13.

John, the son of Mr. and Mrs. Donald Woolner of Channel Lake, will be stationed at San Antonio, Texas. No wedding date has been set.

## Brush And Palette Club To Exhibit Members' Works

The Antioch Brush and Palette Club will show members' paintings at Harold's Restaurant for one month beginning Thursday.

There will be 10 to 12 paintings in the exhibition. The paintings will be for sale. Those who will show works are Eugene Bakes, Jackie Horton, and George Grunow.

## Card of Thanks

We wish to thank our friends and neighbors for their many acts of kindness during our recent bereavement.

## Holidays A Good Time For Delicious Poppyseed Cake

With the holidays so near, Delicious Poppyseed cake is a favorite at my home, writes Mrs. Josephine Preslicka. She submits the recipe to share this holiday treat with other News readers in the Favorite Recipe Feature.

Mrs. Preslicka, of 3121 W. 53rd Place, Chicago 32, is a summer resident in the Lake View Subdivision on Lake Maria and she looks forward to moving to Antioch permanently next summer.

As to Delicious Poppyseed Cake, Mrs. Preslicka says her two sons and their wives always look forward for a piece of this cake during the holidays. It stays moist for several days, she says.

For submitting this recipe, Mrs. Preslicka will receive her choice of a three piece carving set or a six knife steak set. All Antioch News readers are invited to pick out one of the foods they like to cook, copy it down and send it to: The Food Editor, Antioch News, Antioch, Illinois. We'll test it and choose one a week to share with the other readers. The housewife whose recipe is chosen each week also will receive her choice of one of these kitchen sets. Either would be a welcome addition to your kitchen. You can stop by the News office and see the display of these sets in the News window.

Here's Mrs. Preslicka's favorite:

### DELICIOUS POPPYSEED CAKE

2 cups sifted cake flour	1 cup butter
1/2 teaspoon salt	1 can prepared poppyseed filling
1 1/2 cups sugar	4 egg yolks
1 cup sour cream	4 stiffly beaten egg whites
1 teaspoon vanilla	
1 teaspoon soda	

Sift flour once, measure, add soda, salt and sift again. Cream butter with sugar until light and fluffy. Add poppyseed filling, blend. Add egg yolks one at a time, beat well after each addition.

Then add vanilla and sour cream, blend well and add sifted dry ingredients gradually, beating until smooth after each addition. Then fold in stiffly beaten egg whites and pour into a well greased 10 inch tube pan which has been lined with wax paper on the bottom only.

Bake in a 350° oven for about one hour or until a cake tester inserted in the center comes out clean.

Remove from the oven and allow to stand in the pan for five minutes. Then remove cake, take off paper and cool on wire rack.

Dust with confectioner's sugar if desired, or frost with any icing.

## Lt. D. Vose Completes Army Infantry Course

Army 2nd Lt. David A. Vose, 21, son of Mr. and Mrs. Avery A. Vose, Rte. 2, Antioch, recently completed the eight-week officer basic course at the Infantry School, Fort Benning, Ga.

Designed for officers who have not served with troops, the course gave Lt. Vose instruction in the duties and problems of an infantry unit commander.

A feather party sponsored by the men of Antioch Moose Lodge, will be held Nov. 15 at the Moose Home. There is a fish fry every Friday night.

# Oakland School Praised At Dedication

SUPERINTENDENT OF GRADE SCHOOL DISTRICT 34 Richard Whitacre, left, is shown at the dedication of the new Oakland School on Sunday afternoon with its principal, Clifford A. Houghton Jr.; Mrs. Helen Kopriva, secretary of the board; and Norman Jedele, president of the school board.

## Crowd of 500 Hears Supt. Petty Speak; Then Tour New Building

A crowd estimated at 500 persons packed the new Oakland Grade School last Sunday afternoon for official dedication ceremonies.

The excited audience of parents and guests heard county superintendent of schools W. C. Petty give the principal address and then many of the guests toured classrooms and other school facilities.

In his talk, Petty called the Oakland School "one of the finest" he has visited. He spoke of the growing community here, and of the educational facilities which must keep pace with its growth.

Many of the visitors seemed amazed at the quality of the new school. Some said they didn't realize how nice it would be.

The dedication program proceeded smoothly with Norman S. Jedele, president of the Grade School District 34 welcoming the audience and introducing special guests and former and present members of the school board. He briefly outlined the role of the school board.

Richard Whitacre, superintendent of District 34, introduced Petty.

The principal of the Oakland School, Clifford H. Houghton, accepted a new American flag from the American Legion Post here. Post Commander John L. Horan made the presentation.

The invocation and benediction were offered by the Rev. Edmond Hood of the St. Ignatius Episcopal Church.

Refreshments were served by the PTA group at the school under the direction of Mrs. Glen Pierce, president.

The school band directed by George Olisar and the school chorus directed by Margaret Aschenbrenner offered selections during the ceremony.

Located at the corner of Loon Lake and Deep Lake roads, the graceful one story school accommodates 225 pupils. It presently completed ten classrooms can be expanded as the need arises.

The present structure was built at a cost of \$394,000.

## Local Man Finds Fossil Near Here

Antioch's Joseph Anzinger may have made a major fossil discovery on his job at Crystal Lake, says William Turnbull, assistant curator of fossil mammals at the Chicago Natural History Museum.

Tuesday night Anzinger's dredge turned up a giant leg bone probably from a mastodon of about 12,000 to 14,000 years ago. The animals freely roamed this territory at the receding of the ice age, Turnbull said.

"Any find of this sort is interesting scientifically but in order for it to be significant we should have more than 50 per cent of the bones of the animal," he said.

Dredge work was to be halted Wednesday and Thursday on the farm to give away to hand digging to divulge all the bones possible without destroying them.

Anzinger Tuesday night brought home what he thinks was a thigh bone. It measured about 2½ feet long and was broken at the small end. It weighed about 20-30 lbs. He reported that two tusks, one six feet long, and another broken one about four feet long, and some rib bones were found, also.

"It looked like a tree trunk rolling down the bank," Anzinger told his wife of the leg bone.

At the museum Turnbull said very few complete skeletons are found in this area because the animals probably were not deep enough in the mire. "They sunk down with their feet and thus leg bones became preserved quite well," Turnbull said, "but the upper portions of the bodies did not go deep enough and thus oxygen caused the bones to deteriorate."

But if more bones are found, the museum will be highly interested, he said.

## Receives \$200 Traffic Fine

Roswell Sidney Clark, 33, of RFD 3, Lake Villa, was fined \$200 for reckless driving last week after a charge of drunken driving was dropped.

The fine was ordered by Waukegan police magistrate Ray J. Reed. Waukegan police had stopped Clark at Sheridan Road and Miraflores avenue after he reportedly had been traveling 75 miles m.p.h.

## Revoke Two Area Drivers' Licenses

The driver's licenses of two men from this area have been suspended following their conviction on three or more moving traffic violations in a single year.

They are: Arthur E. Drdla, 320 Jefferson, Ingleside, and James O. Saylor of Lake Villa, according to Secretary of State Charles F. Carpenter.

## Charged With Drunken Driving

Joseph F. Selsick, 35, of Lindenhurst was charged with drunken driving last Friday night. Lake Villa police curbed his car as it was traveling west on Grand avenue leaving the village.

According to police, Selsick said that he was going to Waukegan.

He will appear Thursday at 1 p.m. before police magistrate R. A. Vander Pyl.

## ATHS School Board Meets In Special Session

The Antioch Township High School Board of Education met in a special session Wednesday night of last week.

Business conducted was chiefly in regard to plans based on a series of reports on the high school which was submitted to the board by the Citizens' Advisory Council.

The school board is expected to take definite action on the reports which project an enrollment increase and outline current defects at the school.

The board, which met at the high school concurrently but separate from the advisory council, has scheduled another special meeting for Nov. 12.

The next regular meeting of the board is Nov. 19. An announcement concerning action to be taken as a result of the reports is expected to be made at that time.

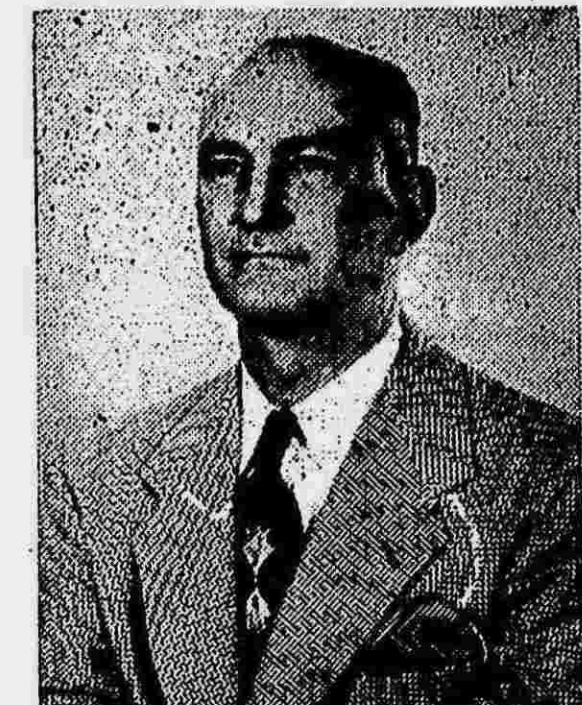

One member of the school board was absent at last week's meeting.

## Lion Club to Hear Navy Veteran On 'World Situation'

A veteran of Japanese dive bombings and the Battle of Corregidor will sound his views on the world situation today before Lions Club members at Monday's meeting.

The regular business meeting, which is scheduled for 7:15 p.m. will be held at Smart's Country House, Rte. 173, west of Antioch.

Henry W. Goodall, Rear Admiral

Henry W. Goodall  
Rear Admiral, U. S.  
Navy, Retired

U. S. Navy, retired, is the featured speaker. His topic is "The United States and the world today."

A native Kansan and a 1924 graduate of Annapolis, Goodall was serving as executive officer of a ship in the Asiatic Fleet stationed in Manila Bay, Philippine Islands at the outbreak of World War II.

He was wounded in February, 1942 by Japanese dive bombers attacking his ship while it was engaged in action off Bataan.

He was taken prisoner in the fall of Corregidor, and held until February, 1945.

Following his retirement, Goodall joined the staff of the Mississippi Valley Assn. and now serves as general manager of its Great Lakes Division.

A resident of Evanston, Ill., the former Navy officer is married and has two children including a son at the Naval Academy.

THE SERVING OF REFRESHMENTS concluded the dedication of the Oakland School on Sunday afternoon. Left to right are Kenneth Sheldon and J. E. Awo being assisted by PTA mothers Mrs. Joe Hellstern, Mrs. Sheldon and Mrs. Glenn Pierce who is president of the organization. The Sheldon's daughter, Mary Jean, is the youngest member of the Sheehan clan which is a four generation Oakland School family. The building dedicated Sunday is the fourth Oakland School which Antioch Township has had.

## Advisory Council Forms Committees

The Citizens' Advisory Council of the High School Board of Education formed work committees at a meeting held last week in the high school cafeteria.

Among the new units is a publicity committee headed by Sven Osterlund. The new chairman summed up the purpose of his group as "acquainting the people with the facts about Antioch Township High School which the Advisory Council has found from their studies."

The Advisory Council has already submitted a series of committee reports to the High School Board of Education including enrollment projection studies, building inspection reports, and the financial position of the school district.

Others named to the publicity committee are Elmer Eberman, Elizabeth Storch, and Winfred Bromstead.

A second committee was organized at the meeting to provide public speakers on school issues in the coming months. B. J. Hooper has been named chairman.

A third group called the "neighborhood contacts committee," was formed. Its members will work out a system of personal communications to local residents in regard to the problems which face the high school.

The Citizens' Advisory Council will meet again Dec. 2.

The standing committees and the new groups will be working and meeting separately in the interim.

The reports made by the Advisory Council to the School Board have predicted a future enrollment at AHS which far exceeds the school's present facilities.

Major reasons cited for the projected increased student load include the general population growth of this area, the new Bong Air Base, and the future development of Eastern Lake County as a port area.

Other reports noted present needs at the high school which is already filled to capacity.

## Legion To Observe Veterans' Day Nov. 11

Antioch American Legion Post 748 will celebrate Veterans' Day with the help of its Auxiliary on November 11 with open house in the afternoon at the Legion home on Ida Avenue.

Veterans in the community of World I, World War II, and the Korean Conflict are invited to attend with their wives.

Food will be served at 4:30 p.m., until all are served.

The post presented an American flag to the Oakland school last Sunday during the dedication program.

The membership campaign is still going on for renewal of 1958 members and also new members. The quota for 1959 is 200.

Albert Shepherd, a member of the post, and a patient at the Lake County sanatorium, thanks all the members of the Antioch Legion Post for the use of a TV set.

## Holy Name Society To Receive Communion Sunday at Lake Villa

The Prince of Peace Holy Name Society will receive communion at the 8 a.m. mass Sunday, Nov. 9, followed by a breakfast at the school.

All men of the parish are invited to take part.

Plans for the dance are completed. It will be held at the Grayslake Legion Home Nov. 15.

## Plan For Christmas

Plans for the businessmen's introduction of Christmas will be outlined at the next regular meeting of the Antioch Chamber of Commerce Monday at noon at Smart's Steak House. All members should plan to attend says Ralph Gresens, secretary of the Chamber.

## Election Night At The Courthouse; Old Pros Tabulate Their Victory

The political novice might have gone to bed election night believing that the Democrats were forging ahead in Lake County voting.

The first precinct, Waukegan 33, was not received until 9:40 p.m. At 11 p.m. only 5 precincts were complete. Four were from Waukegan Township and one from Shields. All went solidly Democratic, and large majorities were recorded for the major referendums.

But in GOP strongholds at the county courthouse and at Waukegan Republican campaign headquarters, no one turned a hair.

And in the small hours of the night, the expected rush of GOP faithful began to be felt. Western county townships turned the tide.

At the same time, the courthouse bond issue began to fail and conservative voters took their toll on the other referendums, especially those calling for an outlay of money.

Situated in a narrow basement hall behind a barricade of desks, county clerk Garfield Leaf presided over the complex poll returns.

He was frequently interrupted by one or both of two phones on his desk, calling him to legislate over some ballot technicality.

Eva Palmer, chief of the voter registration office, was at his side. Newspaper reporters were linked to the nerve center at an adjoining desk.

The first news came from the Sheriff's office. They had phone reports from Lake Villa, Antioch, and Grant Township precincts indicating Russell Schoenke's early lead.

The pace began to quicken just before midnight, and, as the trickle swelled to a steady stream, vote

## Postpone Memorial For Eugene Prange While Hope Lives

A memorial planned for Eugene Prange, the Lake Villa youth lost in Montana's Mission Mountain range, has been postponed pending the results of a search which still continues in that area.

Prange's friends in the wildlife service in that area and his college mates are still plying the area where he was lost almost two months ago.

The hunting season is now open in the mountain range, and woodsmen have been asked to be on the lookout for any trace of the missing boy.

The youth's personal effects, which were to be placed in the Scout House at the memorial service, have been returned from the west, but Prange's mother has asked that the ceremony be postponed while there is any chance of his survival.

tabulators in the courthouse moved efficiently to order the increasing burden.

Finally the rush of returns overwhelmed the weary counters and the precinct reports began to pile up on Leaf's desk.

From then on, it was simply a matter of wading through the stack until the sunlight broke over the stone walls of the building which will end its service to Lake County in the not too distant future.

Precinct workers, old veterans of the local political wars, and all manner of hangers on crowded the entrance to Leaf's cubicle where the returns were being accepted by his staff.

They successfully kept the county clerk free from the crowd although several reluctantly curious candidates peeked in for assurance of their success.

One lady did manage to enter the inner circle to inquire, "Do you have to put money in parking meters at night?"

It was over except for some strag-

### Lake Villa Tavern Owner Denies Buying U.S. Gambling Stamp

Frank B. Clauser, owner of the Open Door Tavern on Rte. 59 in Lake Villa contended last week that he had not purchased a federal gambling stamp since surrendering formerly held stamps under the threat of the Illinois Liquor Commission.

But Internal Revenue Service authorities in Chicago maintain that Clauser has recently purchased a new \$250 stamp required for gambling by federal law.

Clauser was one of four Lake County tavern owners listed as recent purchasers of the stamps by the federal agency. Another Lake Villa tavern owner listed was Joseph Stenek, owner of the Old Hickory Tavern, RFD 2, Lake Villa.

The others are: Armand Scornavaco, owner of Armand's Chateau, rural Waukegan, and Ethel Rotman of the Speedway Cafe, rural Lake Bluff.

## Tuberculin Skin Test Offered To Kenosha County School Kids

Tuberculin skin testing for Kenosha County school children is being offered in grades 1, 4, 7, 10, and 12, as a part of the school health program.

The program has been planned by the Office of County Nurse with the cooperation and approval of the Kenosha County Medical Society, County Superintendent of Schools, County Board of Supervisors and Town Chairmen.

The tuberculin test is a harmless way to find out whether or not there are tuberculosis germs in the body.

In most cases the results of the tests will be negative. Should the test be positive, it does not mean that the person has active disease.

Parents who want their children to have the test, and have signed a request form that was sent home by the school, may clip this schedule for their convenience.

If for any reason a child is unable to attend the clinic for which he is scheduled, he may go to another clinic, but he must bring his signed request form to the clinic, and his parents must arrange for his transportation to that clinic and let the principal and county nurse know of their plans.

Parents may telephone Office of County Nurse: Olympic 2-4987, where there is a problem, or any doubt as to procedure.

sided 28,739 to 8,967 victory here in 153 precincts.  
The county forest preserve amendment passed by a 30,274 to 19,634 count.  
The state building bond issue was approved in Illinois, and is still undecided as far as Lake County voters go. With 153 precincts, the count is 23,375 for the building bond issue and 23,485 against.  
The Illinois Constitutional Amendment which would allow county treasurers and sheriffs to succeed themselves in office is still in question.  
In Lake County, the amendment received a majority vote of 23,824 to 19,509.  
The Korean Service Bonus Bill was defeated here and in the state. The margin here was 32,760 to 15,329 with 153 precincts reporting.

street as a danger to autos and children passing through the smoke screens. Last week, he told the board members, he personally asked a man on Main St. to put out a pile of burning leaves that was creating an almost impenetrable smoke across the street.  
The heat from burning leaves on asphalt pavement also destroys the pavement, Edgar Simonsen advised the board.  
If residents continue to burn leaves or pile them on the street, the board said it would pass an ordinance prohibiting all burning and would make penalties as stiff as the law allows. The village is not financially able to collect leaves from residents.  
Six Antioch village officials will leave Sunday morning for Springfield for the 3-day Illinois Municipal League convention.  
Attending will be Mayor Murrill Cunningham, Ed Jacobs, village attorney; Board Members Herman Holbeck; John Blackman, Ernest Glenn and Police Chief Walter Scott.

## Well Known Critic To Speak To Daughters Of Illinois

Patricia Clafford, of Chicago, nationally known personality counselor, lecturer and literary critic, will be the guest speaker at the November 11th-1:30 p.m. meeting of the Native Daughters of Illinois. Miss Clafford will give a solo dramatization of a current book. Meeting to be held in Willoughby Towers, 8 South Michigan Ave., Chicago. This is a statewide club. The object of the Native Daughters of Illinois is to bring together women born in Illinois; to promote the study of and to inspire unswerving loyalty to the Constitution of the State of Illinois; to foster and uphold the history and traditions of the State, and to establish a common meeting ground for the lovers of Illinois.

## Holiday Resort.....

The Lake Villa village engineer has begun study of the problem of providing sewage for Villa Holiday Gardens.  
In other village business, plans to build a new residence were revealed. John J. Meyer received a building permit for a two story brick veneer home on Burnett avenue west of Park avenue.  
The estimated cost of the house is \$12,000.  
Four other permits for repair and maintenance projects in the village were also approved by the board. The cost for these four totals about \$7,000.  
The village board backed the police department's plan to issue tickets for illegal parking on Cedar avenue and around the Lake Villa Grade School. In the past, courtesy warnings were issued, but police announced that citations would now be given out.  
Village vehicle stickers are now required in Lake Villa. Police will ticket motorists for failure to display the stickers.

# DEATH NOTICES

## Daisy W. Johnson

Mrs. Daisy Johnson, South Shore of Bluff Lake, died at 4:30 a. m. Tuesday in her home. She was 92 at the time of her death.  
Mrs. Johnson was born Sept. 7, 1866, in Toledo, Ohio, moving to Chicago and later to Antioch over 50 years ago. She spent her winters in Roseland, Fla., for many years, where she was a charter member of the Roseland Woman's Club and a member of the Roseland Garden Club.  
Mr. and Mrs. Johnson (James P.) operated the Bluff Lake Resort for 15 years previous to his death in 1938.  
She is survived by two sons, Frank J. of Chicago and Oliver G. of Kenosha; two daughters, Mrs. E. E. Kretschmer of Antioch and Mrs. W. R. Arthur of Janesville, Wis.; four grandchildren and six great-grandchildren.  
Private services will be held Thursday, Nov. 6, at Strang's Funeral Home, Antioch, with interment in Hillside Cemetery. Please omit flowers.

## Hugo R. Kammer

Hugo R. Kammer, 52, of Edwards and Hunt Club roads, Newport Township, died Wednesday at 9 a. m. following a three months illness.  
He was born May 22, 1906 in Poland and came to the United States in 1913.  
Mr. Kammer, an employee of American Motors in Kenosha, Wis., who farmed as a sideline, lived in Kenosha County until moving to this area ten years ago.  
He was a member of the Lake-Cook Farm Bureau and of the union where he worked for American Motors.  
He is survived by his wife, Edna; three sons, Clarence and Kenneth of

Lake Villa, and Donald, living at home; one sister, Mrs. Alma Bauer of Kenosha; his mother, Mrs. Anna Jahns of Kenosha; three grandchildren.

Services are pending at the Strang Funeral Home, Antioch.

## Joseph W. Labdon

Joseph W. Labdon, 82, of 493 Lake St. died Wednesday afternoon of last week in Victory Memorial Hospital.  
He had come to Antioch as a young man from Glastonbury, England.  
He was a farmer in this area for many years before retirement.  
Services were held in the Strang Chapel last Saturday afternoon. Burial was in Hillside Cemetery.  
His wife, Mae, preceded him in death July 7, 1928.  
Mr. Labdon is survived by a sister-in-law, Mrs. Drucilla Ferris of Antioch; three nephews, Paul Ferris of Antioch and Russell and Charles Horton of rural Kenosha; a niece, Miss Pearl Horton of Chicago.  
In lieu of flowers the family requested that donations be made to the Antioch Rescue Squad.

## Benjamin Ames

Benjamin Ames, the operator of a blacksmith shop at Hickory Corners, Rte. 173 and Rte. 45, for many years, died a week ago Monday in Decatur, Ill. He was 80.  
Mr. Ames was born and raised at Hickory Corners. He moved to Decatur 30 years ago.  
Services were held there last Friday.  
Mr. Ames' survivors are his wife; a stepson, and a sister, Mrs. Thomas Edwards of Rosecrans. A number of his nephews and nieces live in Lake County.

# Grayslake Clinches Crown With 26-0 Win At Antioch

IT LOOKS LIKE HEAVY GOING, but Grayslake's Tom Farm demonstrated plenty of power in last Saturday's game at Antioch. Here he rips off a three yard gain as Don Pyles claws at him. Rushing up to the Sequoit defender's aid is Chris Davis (76), Gary Williamson (89), Bob Martin (behind Williamson), and Vince Nauseda (21). Action took place in first half of the contest.

THE 1958 VARSITY FOOTBALL SQUAD lines up for its post season picture: From left to right (front row) Chuck Schuth, Dick Wolf, Bob Martin, Tom Burda, Phil Mitchell, Walt Rosquist, Chris Davis, George Anzinger, (second row) Bill Dressel, Bill Baird, ass't coach, John Parker, Vince Nauseda, Dan Pyles, Jim Portalski, Chip Eberman, Russ Cote, head coach Robert Walther, (top row) Ken Stepien, Dick Gudgen, Jack Thompson, Gary Williamson, Bob Wozniak, Ed Martin, Tom Ring. Missing from the picture are Wes Merryman, Dick McCarthy, and Lloyd Porter.

THE FROSH-SOPH SQUAD will be moving up to varsity competition in the next two years. Coach Robert Walther has high hopes for many of the prospective rookies although their prep record was not outstanding. The squad is from left to right (front row): Bob Hart, Bruce Wolpert, Bob Barnstable, Ron Gable, Joe Gates, Toby Henry, John Loper, (second row): Coach Roy Nelson, George Ballitz, Jerry Mathews, John Sershan, Joe Eiten, Richard Greene, Bill Bonner, manager, Fred Gebhart, (top row): Lance Keisler, Dale Armstrong, Bernie Anderson, Jim Prossie, Les Hribar, John Van Patten, and Dick Porter.

ROOTIN' 'EM ON THIS YEAR were the 1958 frosh-soph cheerleader squad composed of (from left to right): Lori Pedersen, Judy Vejvoda, Vicki Kopach, June Dressel, Jan Duha, and Jill Anderson.

## Hard, Aggressive Play Marks Last Game Of Season

### Sequoits Repelled By Rams' Granite Defense

The Grayslake Rams, clinching their second straight conference title, soundly whipped Antioch 26-0 in a game marred by the threat of violence.

No one could say that the Sequoits weren't out to gain revenge, but their aggressive play worked against them to the tune of over 100 yards in penalties.

A number of penalties were levied for unnecessary roughness. The Rams were also called on this count several times including one reported incident of slugging in the line.

Game officials apparently feared a general outbreak and kept a tight check on the action.

Although the roughness was on an even scale, there was no question of which team played better football last Saturday at Antioch.

The Rams moved to a 6-0 lead in the final seconds of the first period in a thirty yard drive which shrugged off two penalty setbacks. Sequoits Helpless

The Sequoits were practically helpless in the first half against the stone wall defense that the Rams have successfully put up against every team in the league.

Dick Wolf, quarterbacking for the Sequoits and probing for a hole found a spot only through the right side of his line where right tackle Phil Mitchell and right guard Walt Rosquist were doing a Spartan job against a more experienced line.

But the single hole was not enough to turn the tide, and the Rams kept control of the fall for the most part. They scored again in the late minutes before half time on a pass and a short slam over left tackle. The booted conversion was good this time, and the game was 13-0 at the intermission.

Antioch began to move in the third period. They put together one sustained drive of 70 yards, effectively throwing the line pass to eat up great chunks of yardage.

### Fall Close to Goal

But within 20 yards of the visitors' goal line the Sequoits could find (continued on page 12)

## Grant Wins 13-7 With Air Attack

A fast passing attack showed the way for Grant's gridders when the darkness of defeat was closing in at Ingleside last Saturday.

Coming from behind in the closing minutes, the Bulldogs triumphed over Wauconda 13-7 to close the 1958 football season and win a third place tie with Elia-Vernon in the Northwest Conference final standings.

Trailing for three quarters 7 to 0 in a hard fought defensive struggle, Grant finally began to move in the final period.

They went 80 yards propelled by short passes. Paul Smith plunged into the end zone from the one yard line. Don Rasmussen's trusty foot evened the score.

Passing again was the key as Tommy Lewis unleashed a 20 yard streak, into the hands of Bob McNally for a TD in the final minute of play.

Wauconda scored in the first quarter on Phil Winteroth's run around end. A second Wauconda touchdown was nullified by a penalty.

Grant outgained Wauconda 193-132, but both teams had nine first downs.

## Scouts Take Second Place With 42-12 Victory Over Bears

Norm Swalgren and Greg Wuhs proved too much for Elia-Vernon as Lake Forest's Scouts finished the season a strong second with a convincing 42-12 win on the Gold Coast.

The Scouts rolled up three touchdowns in the first five minutes of play and could have coasted for the rest of the fray.

A fumble, sharp passing, and a broken field dash were the instruments of quick domination as the Bears never got on their feet.

The Lake Forest victory, their sixth in seven games, leaves them behind only Grayslake who vanquished the Scouts in their game three weeks ago.

The Bear loss leaves them in a tie for third place with Grant.

## City And Suburb Bowlers Will Roll To Benefit Blind

Bowlers in some 300 bowling lanes extending throughout Chicago and suburbs will join in a fifth annual fund raising drive Nov. 10-16 to brighten the present and future of blind children.

All through that week the Chicago Bowling Council and suburban bowling proprietors will be cooperating in a campaign among bowlers to raise funds to send blind children to regular nursery schools and recreation programs with sighted youngsters.

Bowlers in 5,000 official leagues of Chicago and suburbs will be asked to contribute coins for the fund sponsored by Parents of the Blind, Inc., and administered by a professional advisory committee. Contributions also may be made during "open" bowling periods.

The Chicago Bowling Council is comprised of the Women's Bowling association of the Windy City, Chicago Bowling association Bowling Proprietors association of Greater Chicago, and bowling equipment manufacturers and dealers.

Joining in the drive are members of the West Suburban Bowling Proprietors association and the Northwest Suburban Bowling Proprietors association, as well as south suburban proprietors.

During the coming year an estimated 90 children will need some aid from scholarship funds if they are to benefit from nursery school or recreation programs with sighted playmates.

## Lewis Ends Tenure As Grid Coach

The clash between Grant's Bulldogs and Wauconda last Saturday night at Ingleside completed the successful tenure of Paul Lewis as the Bulldogs' football coach.

He will continue his duties as athletic director at the school.

Lewis has been a member of the Grant coaching staff since 1943. He became head coach of the football team in 1954.

In his own high school days, Lewis was a star on the Ingleside squad. He later assisted the coaching staff before joining it on a full time basis.

The grid mentor will turn to baseball next Spring when he takes over the varsity diamond squad.

## Antioch Soldier Is 'Expert' Gunner

Army Specialist 4/c Eugene E. Kemec, son of Mr. and Mrs. Edward Kemec, Route 1, Antioch, recently qualified as expert in firing the sub-machine gun in Munich, Germany.

Specialist Kemec, a truck driver in Company B of the 24th Infantry Division's 34th Infantry, arrived in Europe last December. He entered the Army in December 1956.

The 24-year-old soldier formerly worked as a printer for the Geringer Press in Chicago. He was graduated from Chicago's Harrison High School in 1952.

Surveys show that blind beggars often receive from \$5 to \$6 an hour, according to the American Foundation for the Blind, which insists that the vast majority of blind people oppose mendicancy in every form.

## Salem Flattened 41-14 By Union Grove, Holland

There was no defense last Friday night against sprint star Louie Holland as he led his Union Grove teammates to a 41-14 victory against the Falcons from Salem Central.

Holland scored five times, chiefly on breakaway runs. He averaged a phenomenal 14 yards plus per carry.

He kicked five extra points to rub it in.

Take away this flash and it would have been an even game. The Falcons' offense was robust, collecting 218 yards. Rick Thomas accounted for 101 yards of that total.

But there was no contest after Holland's first period 60 yard and 20 yard scoring runs. At halftime it was 20-0, this last touchdown the product of Al Hoffman's six

yard slam.

Holland scored again in the third period before Salem finally got into the game on Fred Lentz' 35 yard heave to Thomas for their first six points.

But Holland was a pass catcher too, and his reception of Del Craig's aerial made it 34-7.

Central marched 80 yards for a touchdown with Bill Bohn doing the final honors from the one yard line, but was way too late for a serious challenge.

Thomas ended his prep career with last week's game. Fred Lentz was a fine field general in a losing cause, and did some effective throwing. He completed seven of 11 tries, for 77 yards, scoring one TD, and added two extra points of short flips.

## It Might Not Be Sore Feet Hunters—It May Be Gout

Large number of pheasant hunters develop sore feet, but few of them attribute the pain to the real cause—gout.

The conditions of the hunt itself predispose the hunter to the acute onset of gout, according to a medical study summarized in "What's New," Abbott Laboratories' publication to the medical profession.

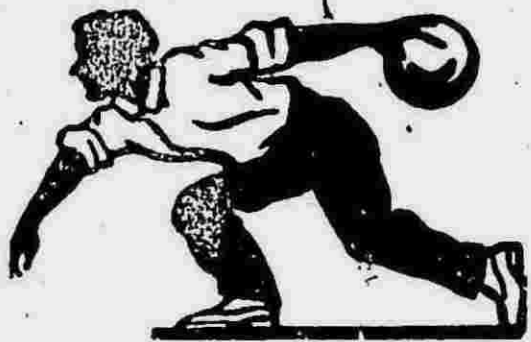

Then there is the little known fact that pheasant meat contains a large quantity of purines which, if not metabolized properly, will precipitate the disease.

Usually there is only a minimal disturbance of the hunter's purine metabolism, and under other circumstances he would not suffer from gout, the article says. But "trauma to the feet in walking through fields and gullies, the overindulgence in holiday alcoholic beverages, the fatigue of exercise in those unaccustomed to it, and gorging on delicious and well-cooked pheasant and high-calorie foods at the end of the day," head to the painful foot and swollen big toe that characterize the disease.

The condition is seen more often in middle-aged or older males and there is usually no previous history of trouble with the foot. Since only one foot is affected, the hunter usually thinks he has sprained the joint unknowingly or that a new or uncomfortable pair of boots is to blame.

Prompt recovery is the rule when the disease is treated by a physician, but recurrences are possible.

## County Gray Ladies Begin Training At Great Lakes

Twenty-four women from communities in Lake County have started probationary Red Cross Gray Lady training at the U. S. Naval Hospital, Great Lakes, Illinois.

Preliminary indoctrination of the group of volunteers included a series of lectures and workshop sessions. Among the activities studied by the prospective Gray Ladies were personal services—shopping, writing letters, etc.—and recreational duties which included hostess and craft work.

The trainees will be certified as Gray Ladies and capped in a ceremony following completion of 10 hours of on-the-job training, much of which will entail working on the wards among patients under the supervision of staff members and experienced Gray Ladies.

Although the women now in training will bring the number of Gray Ladies at the Naval Hospital up to required strength, there is still a need for volunteers for this work from among Lake County women, according to Mrs. Chester L. Gates, 118 Burton, Grayslake, Ill., who is chairman of the Lake County Gray Ladies.

"We still need volunteers for work at Downey Veterans Hospital, the Lake County Home for the Aged in Libertyville, and the Lake County General Hospital in Waukegan," Mrs. Gates said.

Officials at the Downey Veterans

hospital have asked the Red Cross for an additional 75 Gray Ladies to fill the needs of an expanded service program at the hospital.

Any Lake County woman interested in becoming a Gray Lady can obtain further information by contacting Red Cross headquarters in Waukegan at Ontario 2-4044 or by calling Mrs. Gates at Baldwin 3-0883.

## Grayslake....

(continued from page 9)  
no means of making the short yardage needed. Their loss of the ball on downs at that time seemed to mark the end of the contest.

In the final quarter the Rams passed 30 yards for another touchdown to make the score 19-0, and as time ran out moved again down towards paydirt.

Tom Farm, an outstanding back for Grayslake in this game and all season long, seemed to purposely avoid the final score so that one of his teammates could close out the season with a touchdown.

The teammate did on a short slam through right guard. The final point was good and the game ended at 28-0.

The course of the game was decided in the first half when Grayslake pounded out 145 yards on the ground while the Sequoias made only 45 yards rushing. Neither team made any significant contribution to their offense through the air.

Walther called the Rams' defense "outstanding." It is the first time Antioch has been shut out although losing all but one league game this

season.

#### Rams 'Best Team'

Enlarging upon his comments, Walther asserted that "this was the best team we have played this season by far. They showed the finest spirit I've ever seen in this conference although my boys were definitely up for this game too."

Walther continued, "Our best game was played against Warren, but the Grayslake game was one of our better showings."

The Sequoia coach protested on the field several of the unnecessary roughness calls which hampered his team during the game.

But there was no question that both squads were playing rough football.

Northwest Conference squads will be handing in their equipment early

next week. Coaches will meet to pick all-conference players in the next few weeks.

#### 1959 Outlook Bright

While still resting from last Saturday's game, Antioch was looking forward to the 1959 season. The advance prospects for the coming race are bright.

Only Vince Nauseda, Russ Cote, and Chris Davis will be lost from this year's first string.

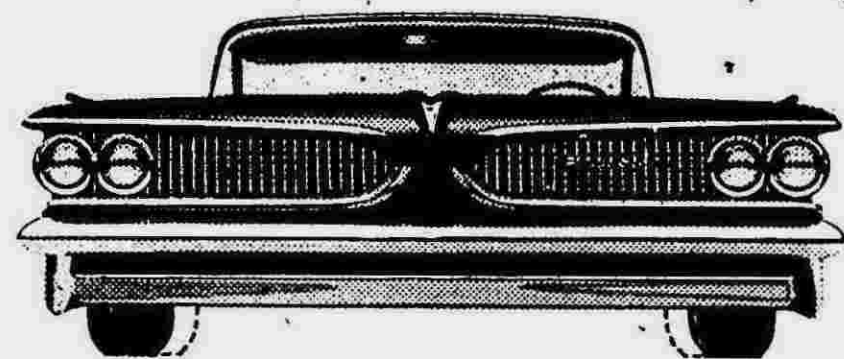

Antioch will be one of the most experienced teams in the league next year, one of the heaviest, and with a solid crop of rookies.

Walther predicted that strong competition at each position supplied by the new varsity aspirants would insure a full season of hard play by the team.

**FIREMEN GET HUNGRY** too. The visiting delegates to the Lake County Firemen's Assn. convention here last week prove to be good guests as they clean up the food offered by host Antioch. The fireman in the center who appears to be looking for more food must have found it for he moved too fast for the cameraman to get his name. (Antioch Photo Service)

## Midget Auto Races Open At International Amphitheatre Nov. 8

The 1958-59 Indoor Midget Auto Racing season opens with a full card of events headed by a 35 lap feature race at Chicago's International Amphitheatre, 42nd and Halsted streets, Saturday, Nov. 8. Gates will open at 6 with the first race scheduled at 8:30.

The opening program has been designed "Bob Tattersall Send-off Night." This will be Tattersall's last race in the United States before leaving to race in Australia. Because of his outstanding win record during the past season, the Australian Auto Racing Association has picked Tattersall of Streator, Ill., to represent the U. S. in the Australian National Championships to be held in their summer season of December and January.

The race meet will be held on an "open competition" basis with all members of all racing associations welcome. This means that the Chicago racing fans will once again be treated to the most exciting competition with cars powered by the famous Offenhauser engines battling it out with the feuding Fords, cycles and others.

The four cylinder Offies, made famous by the Indianapolis "500," are regarded as the most powerful small cars in the world. However, indoors they run up against stiff competition from the Ford "80's" which are especially suited to indoor action because of their smoother 8-cylinder acceleration and better traction.

Amphitheatre race meets never fail to attract racers from all sections of the country. 14 states were represented among the entrants at the Amphitheatre meets last winter.

This first in the 1958-59 series of Amphitheatre Midget Auto Races will be followed each month on Saturdays, Dec. 13 and Jan. 3 and then Feb. 21, 22 and 23. Among the many attractions at the Fair will be indoor Midget and Sports Car Races.

## Chicago Stock Show In 59th Anniversary

Marking its 59th year as the country's largest livestock show, the International Live Stock Exposition and Horse Show will be held in Chicago Nov. 28 to Dec. 6 in the International Amphitheatre and a large area of the adjoining Chicago stock yards.

The volume of entries, prior to the Nov. 1 closing date for listing exhibits was such that the management predicted a total entry of more than 10,000 animals representing 29 of the meat-yielding breeds of farm animals and a wide variety of horses and ponies, ranging in size from the diminutive Shetland to the ton-weight Clydesdale featured in the six-horse team exhibitions.

Thirteen Horse Shows are scheduled during the 9-day run of the Exposition. Arthur Godfrey of television and radio fame will be the star attraction of each Horse Show riding his spectacularly trained Arabian, "Goldie."

Coming at the close of the calendar year for livestock shows and fairs, the Chicago exposition is the climax event of the year, consisting of a huge assembly of animals most of which have won ribbons and championships at State and County fairs and regional expositions during the preceding months.

Two new breeds of cattle will be admitted to the International competitions this year, the management reports, in the addition to the show's classification of purebred Polled Hereford and Red Polled cattle. Total prize money is in excess of \$100,000.

## Top Scholarship Earns Exemptions In College Courses

Excellent scholarship by two 1958 graduates of Antioch Township High School students has resulted in special college course exemptions at Northern Illinois University at DeKalb.

The students are Nancy Wetterberg, daughter of Mr. and Mrs. Clark Wetterberg, Cleveland Ave., Lake Villa and Tom Sanhamel, son of Mr. and Mrs. Joseph E. Sanhamel, 565 N. Main St., Antioch.

Miss Wetterberg was permitted to skip the final semester of English and Sanhamel was exempted from college algebra. He was advanced to analytical geometry and also placed in science classes with higher requirements.

Both students won Illinois State scholarships.

At the regular monthly Pack meeting of Pack 92, our boys looked very sharp in uniform, as members of Moose Lodge No. 525, Antioch, inspected them for its charter renewal time.

The flag was presented by Den 1 and Paul Bunyon made his appearance in the Folk Lore Skit, given by Den 3.

The following scouts received their pins and awards: Bobcats: Jim Cormak, Greg Drije, Herman Holbek, James Palm, Mike Cooney, Jack Sanhamel, and Walter Bercler. Wolf Badges: Lain Barthel and Danny Smith (and GA). Wolf Arrows: Randy Miller-GA & 2 SA; Rich Stroner-GA, and David White-GA & SA. Bear Badges: Terry Harrison, Artie Meierdick, Russell Schroeder, Gary Strahan, GA, and Steve Troyke, GA.

Bear Arrows: Tim Osmond-GA, and Mike Sterbenz-SA. Lion Badges: Jim Sorenson-GA and Lion Arrows: Victor Rogers-GA. A Webelos Patch was awarded to Terry Eckert and A Webelos Patch and Grad. to Victor Rogers and Tony Lulich in Pack 91 and Bernie Smith-Pack 92. ### EMPHASIZING SERVICE

Doing a good job of auto lubrication is no simple matter. It requires a knowledge of what kind of lubricant to use and where to use it. Thoroughness is of utmost importance to service your car for the most efficiency of the car engine. To emphasize this point, we would like to show you at JOE & DON'S TEXACO SERVICE the many manufacturers charts we work from which lists this important information.

The ordinary car greaser will often miss points like the distributor cam and shaft, generator oil cups, fan bearings and other out-of-the-way lube points. Drive over to 970 Main St. in downtown Antioch for services that cost no more, but are worth more.

## Exhibits At Library, New Books Mark Local Book Week Nov. 2-8

Posters, bookmarks, and many new books are on display at the Antioch Township Library in celebration of Book Week, Nov. 2 to Nov. 8.

Recent purchases have added to both adult and children's collections and the librarian recently borrowed about 300 new titles from the Illinois State Library to give a broader range of choice to the reader. In the library's collection of 13,000 books, there is material for every need and taste.

Among the prospective best-sellers in the novel are: "Victorine," by Keyes; "The Ugly American," by Lederer and Burdick; "Bird of Fire," by Helen White; "Angelique," by Golon; and "The Serpent and the Staff," by Yerby.

Few books have appealed to readers of all ages more than "Kon-Tiki." Thor Heyerdahl has written another book with a Pacific scene in "Aku-Aku," which was purchased for the library in memory of Mrs. Ernest Westlund's mother. Heyerdahl's descriptions of the fifty-ton statues and other strange relics on Easter Island are a fascinating interpretation of the mysteries that have puzzled archaeologists.

Other new non-fiction includes: "War and Peace in the Space Age," by Gavin; "The Three Edwards," by Costain; "Frontiers in Science," by Hutchings; "And Promenade Home," by DeMille; "Wai-Wai" by Guppy, and "Sail Ho" by Bissett.

## Alaska Looks To Ill. For Its Records System

The nation's 49th state, Alaska, has turned to Illinois for information and advice in its records management program, Secretary of State Charles F. Carpenter said today.

In a recent letter, Harland L. Clark, supervisor of records management, wrote that the booklet describing the Illinois program, "Illinois Moves Forward," has been "most helpful to us in establishing our records management program for the State of Alaska," and asked for additional information concerning centralized microfilming of records and detail on what education records are being microfilmed.

The requested information has been forwarded to him, Mr. Carpenter said.

The Illinois records management program has attracted international attention since its inception, Secretary Carpenter said. It began in 1955, when the General Assembly authorized the Secretary of State to conduct a survey of the state's entire records keeping procedures, including creation, retention and destruction.

More than eight out of 10 auto accidents occur on level road, according to the National Safety Council, and about seven out of 10 on dry roads.

## ECONOMY TV TOPICS

(By Harold "Pete" Peterson)

NOTHING TO IT

The inside of a TV set is a fascinating conglomeration of devices for many people to behold, and some of our most challenging service jobs have come from plumbers, truck drivers and bookkeepers. We can appreciate the urge that a person gets in wanting to experiment in this maze of 'thingamajigs'. I feel this way about different things myself, having taken an alarm clock apart one time. If you could possibly get it together again, I imagine you would feel like superman.

When you have difficulty with these TV fixing urges, hurry and phone Antioch 1454. Or, bring your set to ECONOMY TV on Rte. 173, 1 mile West of Antioch in a basket; don't forget any parts. With the proper electronic schematics and testing meters we'll get it together again.

This Week's MESSAGE from MEL

It's the little things that make "this" store preferred over "that" store. Here at the Antioch IGA Foodliner we pay special attention to those things . . . such as making the food basket easy to push. This is in addition to our efforts to provide you with the lowest prices possible on good quality food.
